5TH SEPTEMBER 2025

### Welcome Back

A warm welcome to all our new families, and welcome back to those returning! It's been wonderful to see the children back in school after the summer break, full of energy and enthusiasm.

We're delighted with how smoothly the children have settled into their new classes. Their positivity has set a fantastic tone for the term ahead.

Thank you for your continued support during this first week. Your involvement and encouragement make a real difference, and we truly value the strong partnership we share with our families.

We're looking forward to an exciting term filled with learning, creativity, and opportunities to come together as a school community. Please keep an eye on upcoming newsletters and communications for key dates and events.

If you have any questions or would like to get in touch, please don't hesitate to contact your child's class teacher or the school office.

We might inform someone if we were concerned about your safety, but we would usually speak to you first. Your messages are stored and can be seen by other healthcare staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we received your text. Texts will not be seen outside normal working hours. If you need help before you hear back from us, contact your GP, nearest walk in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from UK mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health professional from sending messages to you, text STOP to our number. Messages are charged at your usual rates.
