Communication from Vale of Glamorgan : Albert Road : Zebra Crossing

The Vale of Glamorgan Council will be installing a tabled zebra crossing on Albert Road, outside Albert Primary School.

The works are to commence on 03/02/2025 and are anticipated to last for 6 weeks.

These proposed measures will deliver a safer environment, particularly for vulnerable road users and school pupils, whilst improving general accessibility in the community area.

Unfortunately, due to the nature of the works and the traffic management required a certain amount of disruption is unavoidable, please be assured that every effort will be made to keep any disruption to a minimum.

A road closure will be required during certain phases of construction, however appropriate diversions will be installed informing motorists.

Nurture Room

It was lovely to see our Nurture Room acknowledged at the Vale of Glamorgan's Emotional and Mental Health presentation event this week. This recognition highlights the vital role our Nurture Room plays in supporting the mental health and wellbeing of our pupils. Creating an environment where children feel safe, valued, and understood is essential for their emotional development.
