

Belonging Together, Growing Together, Succeeding Together

Perthyn Gyda'n Gilydd, Tyfu Gyda'n Gilydd, Llwyddo Gyda'n Gilydd

Class Teachers: Mrs McNicol/Mrs Morgan & Miss Sturman

**Learning Support Assistants: Mrs Coombes, Miss Rowley, Miss Gilmore,
Miss Thomas and Miss Jas**

Don't forget!

Weekly Reminders

Don't forget!

Monday	Tuesday	Wednesday	Thursday	Friday
	P.E Y1S		P.E Y1M	

This term, our learning centers around the theme of Cynefin, with a primary focus on Science and Technology. Our main projects will involve designing and launching a rocket as well as creating an animation.

Using various books by Oliver Jeffers to inspire our learning, pupils will explore forces, the properties of materials, light and shadows, and the universe. We will also cover essential online safety practices. In Languages, Literacy, and Communication, children will write letters, instructional texts, and a guide to living on Earth. In Welsh, pupils will apply their technology skills to animate a conversation between Jeffers' character, the Boy, and an alien.

In Mathematics and Numeracy, we will continue our weekly Beat That Learn Its alongside regular CLIC and SAFE challenges, supplemented by supportive assignments on Doodle Maths. Finally, in Health and Well-being, pupils will develop a variety of ball skills during physical education and continue building their social and emotional skills through weekly Jigsaw PSHE sessions with Jigsaw Jack.

How to support your child at home:

It would be very beneficial for your child's learning to practise reading with them every day. Please could you initial your child's reading record to show they have read with you. When they have read their book, more than once, your child will be able to choose a new book from their colour band.

Your child may bring home high frequency words to practise. These are the words your child must read without sounding out to develop their sight vocabulary. This helps them move through the colour-bands for reading.

Finally, can you ensure that your child is 'doodling' at home on Doodle Maths regularly please.

Things we need this term.....

If you have any spare skirts, shorts, leggings, socks or underwear, we would greatly appreciate any donations.

Please ensure all items of clothing and water bottles are clearly labelled with your child's name.

Children may bring a healthy snack to school for their break time snack. Please could this be put separately in their green bag to then be put into their tray.

Please inform the school if alternative arrangements have been made for your child to be collected from school.

Key dates / events in our year group:

Friday 18th September- 150th Tea Party

Friday 23rd October- Inset Day

W/B - Monday 26th October - Half term
