### Our work this term will include...

During our 'Cynefin' topic we will be exploring our identity and how the local area of Penarth and our homes have changed over time. As part of Humanities we will be looking at Christian and Jewish festivals of the season.

In Language, Literacy & Communication we will be creating our own leaflets about Penarth. We will be interviewing local people about how Penarth has changed. In addition, we will be creating our own poetry. In Welsh, we will be talking about where we live.

In Maths we will be practising the four operations (addition, subtraction, multiplication and division). We will be learning how to collect and present data based on our journey to school. We will be looking at equivalent values and how to handle money in role-play.

In Science & Technology we will be using ICT to present data from our research, discussing online safety and discussing different materials and their uses.

In Health & Wellbeing the children will be participating in a variety of physical activities, including Rugby. We will also look at 'Being me in my world' and 'Celebrating differences' in jigsaw sessions.

### How you can help your child at home...

- Read with your child daily, asking questions to check comprehension. To help your child with their comprehension skills please access the Accelerated Reader website. You will only be able to access it via this **exact** link (which is specific to our school) in order to complete a quiz after they have read their Accelerated Reader book: <https://global-zone61.renaissance-go.com/welcomeportal/2230816>
- Regularly practise your child's 'learn its'. Also it would be helpful if they could learn them in a random order.
- To help your child practise their Mathematical skills, please use the Doodle Maths website/app.

### Things we need this term

Please inform the school if alternative arrangements have been made to collect your child from school.

Do you know of anyone who would be willing to be interviewed about life in Penarth in the past?

#### Snack

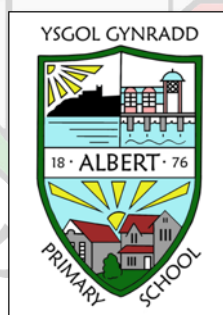

If your child brings a snack to school, please ensure that it is a **healthy** snack (a piece of fruit or vegetable).

### Key dates / events in our year group...

**Tuesday 26<sup>th</sup> & Wednesday 27<sup>th</sup> September** – Parents'/Carers' meet and greet consultations

**Wednesday 18<sup>th</sup> October** – Harvest assembly

**Friday 27<sup>th</sup> October** – INSET day
