Have a safe
and relaxing
half term
holiday

Thank you for your patience during our toilet block refurbishment. We thought you might like to see how work is progressing. The photo above shows what the interior looked like before the works were undertaken. Hopefully by next half term works will have been completed.

Tesco's Community Grants Fund

We are delighted to let you know that our application to the Tesco Community Grants Scheme has been successful and our project has been put forward to a customer vote in Tesco stores.

Albert Primary are bidding for a cash boost from the Tesco Community Grants initiative. Tesco works with community charity Groundwork to run its community funding scheme, which sees grants of up to £1,500, £1,000 and £500 awarded to local community projects.

Three groups in every community have been shortlisted to receive the cash award and shoppers are being invited to head along to Tesco stores to vote for who they think should take away the top grant.

Albert Primary is one of the groups on the shortlist.

Our Project is to set up a free lending library with a free book exchange. It will belong to everyone in our school community! Our free lending library will help to spread the school's love of reading into the community of Penarth.

Voting will commence in store from October and continue to 31st December 2021 and customers can cast their vote using a token given to them at the check-out each time they shop.

Thank you for your continued support

Personalised Tests / SELFIE Tests

Numeracy (Procedural/Reasoning) and Reading personalised assessments are available throughout the year for schools to use to support Year 2 to Yr 6 learners to make progress.

[Personalised assessments: information for parents and carers - Hwb \(gov.wales\)](#)

We will be administering the personalised tests during class lessons from 1st November until 12th November.

After learners have completed these assessments, we will have access to feedback on learners' skills, progress and age-standardised scores to help plan teaching and learning.

Teachers will wait until later in the school year to discuss how your child is progressing based on feedback from one or more assessments and their observations of their learning.

During this assessment window we will also be carrying out our annual SELFIE [Year 1 to 6] and non-verbal assessments [Reception to Year 6]. If you wish to find out more please discuss with your child's class teacher.

Please note the attached SELFIE information letter attached also to this email.
