

# ALBERT PRIMARY SCHOOL

## YSGOL GYNRADD ALBERT

Belonging Together, Growing Together, Succeeding Together

19TH MARCH 2025

### STEM WEEK 2025

What an incredible STEM Week we have had at Albert Primary! Pupils were immersed in a variety of exciting, hands-on learning experiences, sparking their curiosity and enthusiasm for Science, Technology, Engineering, and Mathematics.

We are incredibly proud of the engagement and learning that took place throughout the week. A massive thank you to our amazing staff and parent volunteers, who truly went above and beyond to create such a fantastic experience for our pupils. It was amazing to see our young learners so excited about exploring the world of STEM!

### Red Nose Day 2025 Celebration and World Down Syndrome Day

Friday 21st March is Comic Relief and World Down Syndrome Day. To mark these events the pupil council would like to invite pupils to come dressed in red or silly clothes with odd socks - choose some socks that are going to get noticed! They might be mismatched socks or your boldest and most colourful socks, whatever takes your fancy! Please consider the weather and appropriate footwear should be worn. Pupils can come prepared with their best joke to enter a class joke-athon.

Red noses will be on sale all next week while stocks last for £2 each. We invite all pupils to wear non-uniform (with red noses optional).

This is an excellent opportunity for self-expression while raising awareness for important causes.
