As you are aware, I will be retiring from my role as Headteacher at the end of this academic year and Mr Dan Bennett will be taking over the Headship of Albert Primary School from September.

To ensure a smooth and well-planned transition, Mr Bennett will be visiting the school on a number of occasions between now and the end of term. These visits will allow him to spend time getting to know the children, staff and day-to-day life of our school, as well as supporting careful continuity as we look ahead to the next chapter.

Mr Bennett will be in school this Wednesday morning, where he will be visiting classes to introduce himself to the children. This will be a valuable opportunity for pupils to meet him in a familiar setting and begin building those important relationships.

Mr Bennett is already very aware of what an amazing school Albert Primary is, and he is greatly looking forward to joining such a strong, caring and successful community. I am confident that the school will be in excellent hands as it moves forward.

Thank you, as always, for your continued support.

Mr A Gilbert
