Staffing Update

We would like to share some staffing news....

After an incredible 27 years at Albert Primary School, Mrs Haldenby has been appointed as Deputy Headteacher at St Athan Primary School and will take up her new role from September.

Throughout her time at Albert Primary, Mrs Haldenby has made a significant contribution to the life of the school. While we will be sorry to see her leave, we are immensely proud of her achievement and know that she will be a great asset to St Athan Primary School.

On behalf of all our pupils, staff, governors and families, we would like to thank Mrs Haldenby for her many years of service and wish her every happiness and success in this exciting new chapter of her career.

In order to provide continuity and stability for our youngest learners, we are delighted to confirm that Miss C Child will continue as a Reception class teacher in September, while the Governing Body undertakes the recruitment process to appoint a successor to Mrs Haldenby next year.

School Nursing Service

The School Nursing Service has developed a new Padlet to support the health and wellbeing of children, young people, parents and carers.

This online resource brings together a range of trusted information, advice and support services, covering topics such as emotional wellbeing, healthy lifestyles and where to access help. It is available in any language (Click the 3 dots in top Right hand corner and select desired language) Please take a look.

You can access the Padlet via the link or QR code below:

Families Learning Together

Understanding Our Emotions

Albert Primary School

Thursday 10th September - 1pm

Sign up here!

Join us for a fun and interactive free course where families can learn about emotions together! Through games, creative activities, and storytelling, you'll explore different feelings and discover positive ways to understand and manage them. This course is designed for children and their Parents, Carers, or Grandparents to learn side by side. You'll work together on hands-on tasks that help you build confidence, communicate better, and develop important social and emotional skills. By the end, you'll have created your own useful tools and strategies to help you handle emotions in everyday life - All in a friendly, relaxed space where everyone is welcome.

OPEN TO YEAR 4, YEARS 5 AND YEAR 6
