Our topics this term will be 'Puddles and Rainbows'

Health and Well Being – Keeping myself healthy at school, healthy eating and becoming more independent in my Nursery classroom. Dressing for the outdoors. How to be a good friend. Celebrating diversity within our class.

Language, Literacy and Communication - Sound recognition, letter formation, blending sounds to make words. We will be reciting different rhymes using actions to help us learn them. We will be greeting each other and learning how to say 'Thank you' in Welsh and English. Learning to ask for things in Welsh.

Mathematics and Numeracy – Reciting numbers forwards and backwards to 10 and beyond, using number rhymes and songs to help us. We will learning to identify numbers and find shapes arounds us,exploring their properties. We will be paying for tickets to enter our Winter Reading Garden and solving problems to do with all sorts of measures.

Science and technology - Exploring 'what happens when I.....', looking for changes around me through the seasons. Using technology to make things happen.

Expressive Arts – Exploring colour, learning and performing songs and dances that are special to me during Spring festivals and celebrations.

Humanities – Changes/ diversity in seasons and weather. Celebrating St David's Day and Spring festivals.

How you can help your child at home...

- Singing nursery rhymes and counting rhymes.
- Talking about the changes around them through the seasons.
- Name writing and recognising their own name.
- Sharing books, learning sounds and words that are sent home .
- Putting on and doing up their coat, dressing and undressing independently.
- Looking for numbers and letters around the home and the town.
