SCHOOL PARKING PROBLEMS

Parking around our school is becoming more and more hazardous. It is vitally important, for the safety of you and your children, to ensure that you stop and park safely even if it is only for a few minutes to drop them off.

Illegal and inconsiderate parking around the school is causing hazards for road users and pedestrians alike and NEAR MISSES have already occurred outside the school.

Inconsiderate parking also creates unnecessary traffic jams and increases the likelihood of an accident occurring and someone you know being hurt.

When parking you need to respect any parking regulations and the needs of other road users in the area.

Please park in a safe location, where you are not causing any obstruction or breaching any traffic regulations.

Please remember to “Park SMART”
