A Fond Farewell to Mrs Janes After 28 Years of Lunchtime Care

At the end of last term, the children at Albert Primary School gathered together to present Mrs Janes with a beautiful bouquet of flowers as a heartfelt thankyou for her incredible service. After an amazing 28 years as a valued Midday Supervisor, Mrs Janes has decided to step down from her role.

Throughout nearly three decades, she has supported generations of pupils with warmth, kindness, and a reassuring presence every lunchtime. Her dedication and care have made a lasting impact on our school community.

The children and staff joined together to wish Mrs Janes all the very best for the future; she leaves with our deepest gratitude and warmest wishes.

Dydd Gŵyl Dewi / St David's Day

St. David's Day this year falls on Sunday 1st March. Next week the school is hosting our

Welsh Culture, Arts & Celebration Week 2026.

Our Eisteddfod 'Chairing of the Bard' ceremony will take place on Monday 2nd March. This is always a highlight of our school calendar as we celebrate pupils' creativity, hard work, and Welsh cultural traditions.

We will continue the celebrations throughout the week, ending with our Eisteddfod competition events and whole school celebrations. Pupils have been working hard on their creative and performance entries, and we are excited to share their achievements.

All children can come into school wearing red/Wales sports kits or traditional Welsh costume for the whole of next week if they wish; normal uniform can also be worn.

Diolch yn fawr!

Dydd Gŵyl Dewi
Sant Hapus

Marie Curie Daffodils

The school are selling daffodils supporting the Marie Curie fund raiser. Daffodils cost £1.

Don't forget
Parents'
Evening!

Spring Term Parent/Carer Consultation Meetings

Spring Term Parent/Carer Consultation Meetings with your child's class teacher will take place on **Tuesday 10th and Wednesday 11th March 2026**.

Some examples of your child's work will be available to acknowledge their current achievements. These meetings also provide an opportunity to discuss how to further enhance their learning journey this academic year; it is a collaborative effort between parents and staff.

Appointment invitations will be send out next week to you via your child's class teacher.

Social Communication

While WhatsApp groups can serve as an excellent tool for fostering connection, we have observed some concerning communications that have been brought to our attention by some parents.

There has sadly been a recent increase in derogatory comments and misunderstandings that can be detrimental to our pupils.

Please remember that our school maintains clear communication through official channels. For any concerns, we kindly ask that you reach out to the school directly.

Please maintain a respectful and supportive environment, both online and within our school community, to ensure a positive experience for all involved.
