

ALBERT PRIMARY SCHOOL

YSGOL GYNRADD ALBERT

29TH APRIL 2022

We hope you and your family have enjoyed the Easter break and your children are excited for the new term ahead?

This term will be a busy one for many different reasons. School trips are taking place in many year groups and Year 6 will begin planning the Key Stage 2 performance of 'Disney's Beauty and the Beast' during the penultimate week of the term.

We know this year has brought challenges but we sincerely thank you for your support during this time.

Take care everyone and enjoy the Bank Holiday weekend

Year 2 to 6 Personalised Tests

The Welsh Government's personalised assessment resources enable teachers to understand and support individual learner needs. The most valuable way to use the assessments will be in a formative way to identify any gaps and plan for future learning. Children will be completing their online assessments as part of their normal classroom learning activities between Monday 9th May to Friday 20th May. Year 4 will be completing their tests once their swimming sessions have concluded. Their results will be communicated to you in the end of year reports in July.

Parent/Carer Summer Term Information Sheet

You will shortly receive a copy of the Summer term Parent/Carer Information Sheet via your child. These are designed to provide you with information on the curriculum and year group topic activities for the Summer term.

Copies will be available to access via our website: [Parent Termly Information Sheets | Albert Primary](#)

Velindre Fundraising Trek

Ms C Bousie is participating in Velindre's Fundraising Trek in Cuba this term alongside 67 other fundraisers that include the likes of Rhod Gilbert and Derek Brockway.

Everyone in the school wishes her the very best in her fundraising adventure.

Wellbeing at Albert Primary / 'Action for Happiness'

Your child will be bringing home an 'Action for Happiness - Keys to Happier Learning Journal for Adults'. It is linked to the work the children will be starting in school this term and it is intended for you to use alongside the work your child is doing.

A letter will also be sent out to you outlining this wellbeing initiative. Any questions that you may have then please email the school for the attention of Mr Gibson.

Salop Place

Due to the current one way system being operated on site we use the back gate onto Salop Place to exit the school site. Please can we ask parents not to park on the pavements in this area due to the potential danger to pedestrians this action may cause.

Thank you for helping to keep our community safe.

Pupil School Council

The Pupil School Council will be running a 'reduce wrappers week' from Wednesday 5th May to Wednesday 11th May. They will be collecting wrappers from playtime snacks and will measure how much is collected on a daily basis. The initiative is designed to help us consider how to reduce single used plastics and wrappers.
