

ALBERT PRIMARY SCHOOL

YSGOL GYNRADD ALBERT

Belonging Together, Growing Together, Succeeding Together

12TH MARCH 2026

Eisteddfod Celebrations

Last week was a wonderful week celebrating our annual St David's Day Eisteddfod. The school was full of Welsh pride, creativity and house spirit as pupils from across all year groups took part in a wide range of traditional activities.

Throughout the week, children enjoyed performing, reciting and showcasing their talents, all while celebrating Welsh culture, language and heritage together as a school community.

One of the highlights of the day was the Chaining of the Bard, a treasured Eisteddfod tradition celebrating exceptional poetry and creativity. Congratulations to our newly crowned Bard on this wonderful achievement; a moment they are sure to remember for many years to come.

STEM WEEK : Curiosity - 'What's your question?'

This week our pupils are engaged with our STEM Week; celebrating the fields of Science, Technology, Engineering, and Mathematics. This initiative aims to inspire our young learners through engaging and interactive activities. Pupils are experiencing hands-on experiments, problem-solving challenges, and collaborative projects that foster critical thinking and creativity. We also welcomed into school some visitors, including a Glaciologist and Polar Scientist, Jaguar Land Rover Representatives, Doctors and STEM Ambassadors who enriched the week by running demonstrations and further encouraging a passion for STEM subjects in all our children.

Next Friday 20th March is **Comic Relief Day**; our Pupil Council would like to invite children to wear something red. This could just be a red nose!

Donations can be made directly to Comic Relief through their website.

- Prize in each year for the highest bouncers
- Certificate for everyone taking part
- Online sponsorship (cash also accepted)

www.peoplesfundraising.com/fundraising-group/big-bounce-2026

All sponsorship to be in by April 15th

For safety, we kindly ask that pupils' full names aren't shared on the online pages. We also ask that children only seek sponsorship from friends and family, rather than the general public. This helps keep everyone safe and ensures the event stays within our school community.
