## Year 2 to 6 Personalised Assessments / SELFIE Tests

The Welsh Government's personalised assessment resources enable teachers to understand and support individual learner needs. The most valuable way to use the assessments will be in a formative way to identify any gaps and plan for future learning. Children will be completing their online assessments as part of their normal classroom learning activities between **Monday 29th April to Friday 17th May 2024**.

Results will be communicated to you in the end of year reports in July.
