Exploring these topics with your child at home will support their learning in school.

How you can help your child at home...

Reading regularly, checking their understanding of the story as their AR quizzes are based on comprehension. Please encourage your child to complete AR quizzes at home and complete the relevant part of their Reading Record. Please note the website has changed please use this link to then complete any quizzes: <https://global-zone61.renaissance-go.com/welcomeportal/2238016>

They can also read a book from home. This website can be used to check if the book is within their ZPD on AR to do a quiz: <http://www.arbookfind.co.uk>

Books can also be found on <https://www.myon.com>

Practising times tables, these need to be learnt at speed.

Ensure your child has their green bag in school daily this helps with communication.

Check your child's Google Classroom – your child will be set regular home learning tasks on there.

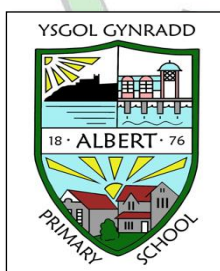

Your child has access to a Hwb account, on which we have our google classroom, which we are encouraging them to access and complete regular home learning tasks at home.

**DoodleMaths – we are asking the children to compete 20 stars a day this is about 10/15min activity. DoodleMaths creates children a personalised work programme tailored to their strengths and weaknesses. DoodleMaths reinforces existing knowledge while gradually introducing new concepts, making it the perfect way to supplement school learning.**
