WELCOME

BACK

Poppy Appeal 2023

The school has received a box of items to support the Poppy Appeal.

These will be on sale throughout the week for a donation of your choice.

Personalised Tests / SELFIE Tests

Numeracy (Procedural/Reasoning) and Reading personalised assessments are available throughout the year for schools to use to support Year 2 to Yr 6 learners to make progress.

[Personalised assessments: information for parents and carers - Hwb \(gov.wales\)](#)

We will be administering the personalised tests during class lessons from 6th November until 17th November.

After learners have completed these assessments, we will have access to feedback on learners' skills, progress and age-standardised scores to help plan teaching and learning.

Teachers will wait until later in the school year to discuss how your child is progressing based on feedback from one or more assessments and their observations of their learning.

During this assessment window we will also be carrying out our annual SELFIE [Year 1 to 6] and non-verbal assessments [Reception to Year 6]. If you wish to find out more please discuss with your child's class teacher.

#WRD23

Thank you to everyone who came into school wearing something red for the Show Racism the Red Card annual Wear Red Day. By coming together by wearing red, we hopefully showed that we can be the difference to help Change Hearts, Change Minds & Change Lives!

We raised £215.00

New School Dinner Menu

The school received a new menu last week from our school dinner providers. A copy have been emailed to you today. [Please inform the school office if you have not received it.]

You can also find a copy on our school website for your reference.
