Our work this term will include...

Our topic this term 'Cynefin' is all about our belonging and where we are from. Our topic focus will be our hometown of Penarth and what is in Penarth and how people in Penarth help each other. In Languages, Literacy and Communication we will be reading 'The Enormous Turnip', how to write letters, interviewing, and also story writing. In Mathematics & Numeracy we will continue to 'Beat that' with our weekly Learn Its and undertake weekly CLIC and SAFE challenges. In Science & Technology we will be carrying out scientific investigations and improving our ICT skills and learning how to be safe using electronic devices. In Health & Well-being we will be playing team games and further developing our PSHE skills with weekly Jigsaw sessions with Jigsaw piece Jino. In Humanities we will be learning all about Penarth and the people who help us and in Expressive Arts we will be exploring portraits.

How to support your child at home;

It would be very beneficial for your child's learning to practise reading with them every day. Please could you initial your child's reading record to show they have read with you. When they have read their book, more than once, your child will be able to choose a new book from their colour band. Almost all pupils should have progressed onto our Accelerated Reader Scheme and have been able to choose a book which can also read at home and be 'quizzed' on. Finally, can you ensure that your child is 'doodling' at home on DoodleMaths please.

Things we need this term.....

Please ensure all items of clothing and water bottles are clearly labelled with your child's name.

Children may bring a healthy snack to school for their break time snack. Please could this be put separately in their green bag to then be put into their tray.

Please inform the school if alternative arrangements have been made for your child to be collected from school.
