Exciting News: New Timber Trail Coming Soon!

We are thrilled to share that the installation of our new timber trail at Albert Primary School is set to commence from tomorrow [16th October] with scheduled work running across the half-term break. [Weather Permitting]

Last term our pupils held surveys amongst their peers to select equipment for their playground designs; which were then presented to the PTA trustees. This exciting addition will provide our children with a fantastic opportunity for outdoor play and physical activity.

A huge thank you to the Supporters of Albert Primary School for their generosity and commitment to enhancing our school's facilities.

We can't wait to see the smiles on our pupils' faces as they explore and enjoy this brilliant renewed resource!

Please take extra care when accessing the lower yards whilst contractors are onsite.
