Staffing Changes : Summer Term 2022

I write to update you on some news regarding our school staff.

Miss S Windsor will be returning from maternity leave next year after the birth of her baby girl last month. I would like to take this opportunity to thank Mrs T Hawkins and Mrs P Summers for their dedication to Albert Primary whilst supporting this class. Following a recruitment process, the school has recruited Mr L Ellis to cover the class starting from Monday 9th May 2022 until Miss Windsor's return next year. The current staff will be with us until that time and will support the children with the transition.

Mrs K Erickson has also been a wonderful member of our team; she will be finishing on Monday 9th May having covered Miss Walker's class this year. Mr M Roche, currently working in Fairfield Primary, will be taking over the class for the remainder of the year.

Mr Roche [Year 1] and Mr Ellis [Year 4] will be working across the school from the start of next term and will be able to meet and work with the class on occasions during this period. It is also hoped that they will be able to introduce themselves to parents of the children at the end of the day during this transition period.

We are also delighted to welcome Miss I Fryer [currently teaching in Year 5] to the teaching staff at Albert Primary following a recent teacher interview process.

A change in teacher can make pupils anxious as it will mean a change to their routine and learning environment. If you are concerned then please let your child's teacher know so they will be able to support your child during this transition

Wishing you all an
enjoyable Easter
Holiday.

Thank you for all
your support this
Spring Term.

Families Information Service : Easter Activity Programme

The Family Information Service Team have collated information on what's going on in the Vale this Easter. They have compiled a programme of activities for children, young people, and their families during the Easter holidays.

The programme will be continually updated as and when activities are confirmed.
