Belonging Together, Growing Together, Succeeding Together

14TH OCTOBER 2025

Parent/Carer 'Meet & Greet' Meetings

We were delighted to welcome so many parents and carers to our recent Consultation Evenings. These events are a cornerstone of our commitment to building strong partnerships between home and school, and it was wonderful to see such positive engagement across all year groups.

Belle Vue Park

At Albert Primary School, we are proud of the strong partnership we share with families in nurturing respectful, responsible, and kind behaviour in our children. Together, we strive to create a safe and supportive environment both in school and beyond.

Recently, however, we have become increasingly aware of incidents involving pupil behaviour in Belle Vue Park; particularly during times when children should be under the supervision of parents or carers. These behaviours, which include inappropriate language, unsafe play, and unkind interactions, have been brought to our attention.

While these incidents occur outside of school hours, they can involve children from our school and therefore, have a direct impact on relationships and wellbeing within the classroom. As a result, staff find themselves needing to follow up on these incidents and behaviours during the school day.

We understand that supervising children in public spaces can be challenging, especially when they are with friends and feeling more independent. However, we kindly ask for your support in reinforcing the same expectations for behaviour that we uphold in school.

Reminders

This **Friday 17th October**, we're excited to invite all the children to wear something red for the annual **Show Racism the Red Card Wear Red Day**.

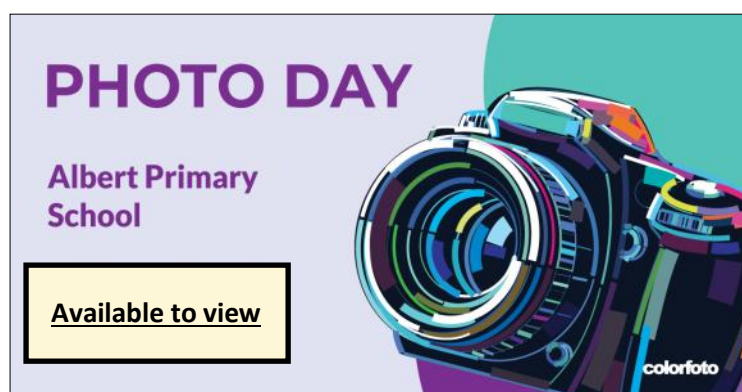

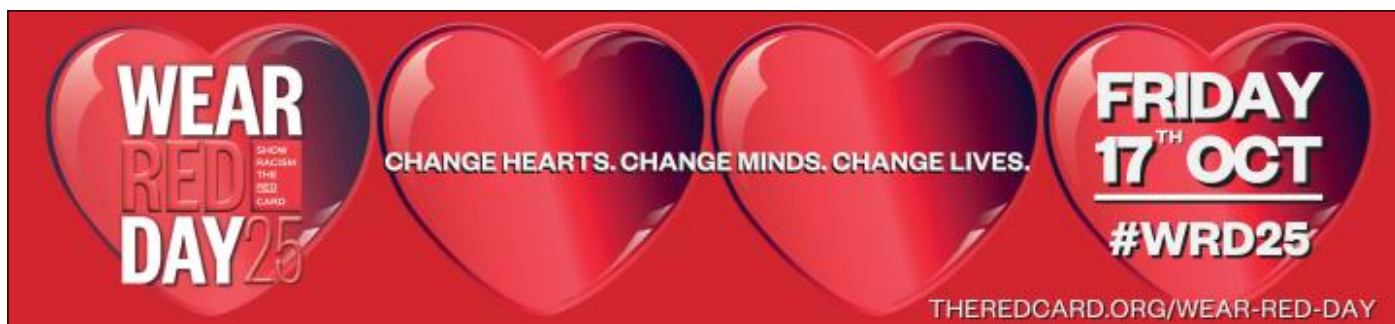

This is a fantastic opportunity for us to come together as a school community and stand against racism.

By wearing red, we're sending a powerful message that we can make a difference and help to Change Hearts, Change Minds & Change Lives!
