

ALBERT PRIMARY SCHOOL

YSGOL GYNRADD ALBERT

Belonging Together, Growing Together, Succeeding Together

8TH NOVEMBER 2024

Welcome back to a new half term! We are looking forward to a fantastic term ahead, filled with exciting opportunities and experiences for all our pupils.

We are absolutely thrilled to announce the opening of our new timber trail! A huge thank you to the PTA (SOAP) and all our amazing parents & carers for their fundraising efforts.

Yrs 1 to 6 had amazing workshops and class visits on Thursday, led by 'Steel' from TV's Gladiators! Focussing on self-belief, confidence, mindfulness, & finding the positives in every day. It was inspiring to see our pupils engaging, learning, and having fun during such a great experience.

From next week school staff will be timetabling their classes to use the trail during playtimes and specified times across the day.

It is important to remind everyone that children are not permitted to use the equipment outside of supervised activity, such as at the start and end of the school day. We appreciate your understanding and support in ensuring the safety of all our pupils.

Here's to an exciting term ahead!

Children in Need Day

This year we will be taking part with the Children in Need campaign on Friday 15th November. Pupil school council suggest that children either come dressed in something spotty or Superhero style.

Please make a donation if you wish via the Children in Need website. [Donate to BBC Children in Need](#)

NODYN ATGOFFA SESIWN BRECHLYN FFLIW TRWYNOL

NASAL FLU VACCINE SESSION REMINDER

14/11/2024

A allai'r rhieni/gwarcheidwaid hynny **naid** ydynt eto wedi cyflwyno eu ffurflen gydsynio electronig i'w plentyn gael y frechlyn fflw trwynol yn yr ysgol, wneud hynny cyn gynted â phosibl.

Os allwch lenwi'r ffurflen gydsynio cyn gynted â sy'n bosibl ac o leiaf 72 awr cyn diwrnod y sesiwn. Os yw'r ffurflen gydsynio yn hwyr, efallai na fydd yn bosibl i'ch plentyn dderbyn y frechlyn fflw yn yr ysgol a cynnigir clinig dal-i-fyny yn lle.

Parents/guardians who have **not** yet submitted their e-consent form for their child to receive the Nasal Flu vaccine in school please do so as soon possible.

Please complete the consent form as soon as possible and no later than 72 hours before the day of the session. Any late forms may result in your child not receiving the nasal flu spray at school and an offer of a catch-up clinic will be made.

Dental Epidemiology
Programme For Wales

The NHS Dental Epidemiology Programme measures the extent (how many people are affected), severity (how many teeth are affected), and impact of dental disease in Wales.

Each year, the programme focusses on a different age group.

This school year (2024-25) we will be examining children in year 1

Why do we look at children's oral health?

Dental health is important. Tooth decay can have a negative physical, social, and educational impact on children and their families.

National dental inspection have been running for more than **20 years**.

54,235 children have taken part in **7** school year 1 surveys. In the last survey, around 1 in 3 children in Wales were seen.

Children's oral health is slowly improving but not all areas in Wales are improving at the same rate.

The inspection helps the NHS to understand -

- Oral health of the children in Wales
- Trends in oral health over times
- Differences between local areas
- Effectiveness of prevention programmes

This will inform Welsh Government's policy on dental health and services and help NHS Wales better plan and deliver dental services in the future.

The results are shared with the **Designed to Smile** scheme to help the children that need it most.

www.designedtosmile.co.uk

Your child's school is helping us with the inspections, and we will shortly be asking for your help

You do not have to do anything yet

To use NHS resources as effectively as possible we do not always invite every child to take part. We will randomly select several children from each school.

If your child is chosen, you will soon receive a letter explaining the inspection and asking for permission to examine your child. If you give permission, please complete the form and return it to the school. Most parents who are asked decide to take part.

If you agree to take part

- ✓ A qualified dental team will look at your child's teeth
- ✓ All examinations will take place at school and will only take a few minutes out of their normal school day
- ✓ We will collect the minimum amount of information from you and your child, and this will be kept confidential
- × We will not carry out any treatment on your child
