Our work this term will include...

Our topic this term is 'Lles - Fun and Laughter'. Our topic focus will be Expressive Arts. We will be listening to different genres of music, learning about the musical elements and also performing songs. In Languages, Literacy and Communication we will be looking at traditional tales and writing playscripts. In Welsh, we will be learning to describe how we are feeling and using everyday phrases. In Mathematics & Numeracy we will continue to 'Beat that' with our weekly Learn Its and undertake weekly CLIC and SAFE challenges. In Science & Technology we will be carrying out a range of scientific investigations and learning about online safety. In Health & Well-being we will be learning a variety of ball skills through team games and further developing our PSHE skills with weekly Jigsaw sessions with Jigsaw piece Jino.

How to support your child at home;

It would be very beneficial for your child's learning to practise reading with them every day. Please could you initial your child's reading record to show they have read with you. When they have read their colour book, more than once, your child will be able to choose a new book from their colour band. Almost all pupils should have progressed onto our Accelerated Reader Scheme and have been able to choose a book which they can also read at home and be 'quizzed' on. Finally, can you ensure that your child is 'doodling' at home on DoodleMaths please.

Things we need this term.....

Please ensure all items of clothing and water bottles are clearly labelled with your child's name.

Children may bring a healthy snack to school for their break time snack. Please could this be put separately in their green bag to then be put into their tray.

Please inform the school if alternative arrangements have been made for your child to be collected from school.
