### **Our work this term will include...**

**Our topic this term 'Diversity' is all about our differences and what makes us unique and special. Our topic focus will be looking at different countries, cultures, celebrations which we celebrate and how we are all different. In Languages, Literacy and Communication we will be learning about Floella Benjamin and instructional writing. In Mathematics & Numeracy we will continue to 'Beat that' with our weekly Learn Its and undertake weekly CLIC and SAFE challenges. In Science & Technology we will be carrying out a range of scientific investigations and improving our ICT skills. In Health & Well-being we will be doing gymnastics and further developing our PSHE skills with weekly Jigsaw sessions with Jigsaw piece Jino. In Humanities we will be learning all about different foods from around the world, the climate and different cultures and in Expressive Arts we will be exploring dances undertaken in different countries and how to express ourselves creatively.**

## How to support your child at home;

It would be very beneficial for your child's learning to practise reading with them every day. Please could you initial your child's reading record to show they have read with you. When they have read their book, more than once, your child will be able to choose a new book from their colour band. Almost all pupils should have progressed onto our Accelerated Reader Scheme and have been able to choose a book which they can also read at home and be 'quizzed' on. Finally, can you ensure that your child is 'doodling' at home on DoodleMaths please.

## Things we need this term.....

Please ensure all items of clothing and water bottles are clearly labelled with your child's name.

Children may bring a piece of fruit to school for their break time snack. Please could this be put separately in their green bag to then be put into their tray.

Please inform the school if alternative arrangements have been made for your child to be collected from school.
