Our work this term will include...

This term's topic is 'Lles'. This topic focuses on fun, laughter and wellbeing.

In Literacy, Language and Communication we will be learning the skills of persuasive writing to create a leaflet on a country. We will be creating a non-chronological report about an animal. We will be writing a letter to the year 2 teachers.

In Welsh we will be creating word banks and facts sheets about different countries around the world.

In Mathematics and Numeracy, we will be focusing on the areas of presenting data with line graphs, analogue and digital time, reading and understanding timetables. Also, we will be covering the measuring of distance and mass. Throughout the term will be focusing on addition/subtraction/ multiplication/division and times tables.

In Science and Technology, we will be learning about animal habitats and learning how to make a website using Google Sites. During STEM week we will be undertaking various investigations based on this year's theme 'Curiosity: what's your question?' For Humanities we will be researching different countries around the world and comparing them to Wales. We will be sharing our learning with year 2.

For Health and Well-being, we will be looking at 'Dreams and Goals' and 'Healthy Me'. In PE we will be learning a variety of dances from around the world as well as a Welsh folk dance.

How you can help your child at home...

- Reading regularly, checking their understanding of the story as their AR quizzes are based on comprehension. Please encourage your child to complete AR quizzes at home. Please use this link to then complete any quizzes:
- <https://global-zone61.renaissance-go.com/welcomeportal/2238016>
- Practise their spellings & times tables.
- Play numeracy and literacy games.
- Useful websites include: <https://hwb.gov.wales> and <https://www.doodlemaths.com>
