### Window Refurbishment Works – Important Information for Parents and Carers

Dear Parents and Carers,

We would like to inform you that the Local Authority will be carrying out a programme of window refurbishments at our school this term. As part of these works, scaffolding will be erected at various locations across the site over this weekend.

Decoration works are scheduled to begin on **2nd February 2026**, with further refurbishment activities and repointing taking place during and after our **half-term holiday**. Safety fencing will also be positioned around the affected areas to ensure everyone's safety.

When dropping off or collecting your children, please take extra care around the designated work zones [refer to photo below] and follow any temporary signage or pathways that may be in place.

We apologise for any inconvenience these essential works may cause and greatly appreciate your understanding and support as our CADW listed building undergoes this refurbishment.

Thank you for your cooperation.

### Parent & Carer Spring Term Information Sheet

You would have received a 'Parent / Carer Information Sheet' from your child's class teacher last week. This letter contains lots of information that will help you to keep up to date with news, key dates, what your child will be learning about and how you can help your child at home. You can also view them on our school website via the following link
